“ I miss you my Brother. I am proud to have served alongside you and known you from "A" School, to Whidbey Island, to our first unit 242, to our first overseas deployment and for so many of our early adult life events. I will never forget you my most trusted Marine Corps Brother. I will see you when I report for duty guarding Heaven's streets.

“ I used to debate with Dan on twitter, back in 2010-2014, Dan was on the VITB show with a lot of us, and we have some good memories from back then, he was one of the only politicians that would listen, and we respected that.

Unfortunately death happens, and I pass my condolences on since well, I didn't know he passed till recently.

“ Dan made me laugh and sometimes he made me mad. We fought like sibilings. I loved him. He was a kind soul and even though we held different political views, he always respected me. The way I see it, thats a valuable friendship, and rare to find.

“ Dan Gordon was a brave man. He took his hits and stood again. Again and again. I'm never going to forget what he did for me, this State, and so many people who depended on him. A good man. A soldier and a friend. My heart goes out to his family, and I want them to know what he meant to more people than they might know.

“ *Danny is my oldest cousin. I'm still in shock that he is gone, but I'm glad that I was able to talk with him less than a week before his passing. Granted most of the time we spoke it was giving each other a hard time, but so is the nature of being a Gordon. I'd say we definitely shared some characteristics, especially being stubborn. I have nothing but fond memories and wish my Aunt and Uncle peace in this time of grieving. Aunt Gloria, when Grampy died, you held me on your knee and we looked out the window and saw a cardinal. Anytime I've seen once since, I've remembered being at Gramps in East Bridgewater with you. Now anytime I see one I'll know Gramp and Danny are watching out for us.*

“ To our beloved nephew, Danny Jr., from Uncle Vance and Aunt Concetta. We just spoke with you on March 15th. At the end of our conversation we said "Goodnight". Never did we imagine that would be our last conversation. Our grief is still so new and so deep it's hard to process. Words aren't enough to express the loss we feel.

From Uncle Vance- You were my first nephew and I've loved you the longest. The closeness we shared through life from the time you were born, through all our talks and sharing time with each other will be cherished. I've always loved you and still love you. I always will.

“ I have known Dan for 6years now. He called me every weekend to talk about his life and was a warm shoulder when I needed him. I am sharing the last picture he sent me about 2 weeks ago. Things will not be the same without him. I love him dearly with all my heart and always will. My deepest sympathies to his family. He was to young to be taken from us.

All my love always,
