“ Paul and I were so sorry to hear about Dan. We were always running in to each other having dinner at some of our favorite restaurants and at Springwell on Sunday's before we left. When I graduated from High School, Dan was working for Smith and James and I worked down town too, I would often see him at Frierson's Drug Store's lunch counter. He was a friend of my Dad and often waited on him at Smith and James. We will miss seeing him! You and your family are in our thoughts and prayers
