“ Emily, my prayers and the prayers of my family go to you and your family. I guess I knew Danny all my life and although we have not kept in close contact the Sims' have always stayed in my heart. Patti was a great friend of mine, my mom was her God-Mother. I have been thinking of the Sims' family and have not been very successful in finding you. I decided to try again this morning and found that Danny had passed away, he actually passed away on my Dad's birthday. I guess old friends really are forever. I'll relay to my David that Danny passed away, your David and my David were at Western together.

Plase know you are all in my prayers,
With Love,
