

Daniel W. C. Snyder, Jr.

March 13, 1946 - May 24, 2020

Danny Snyder, 74, recently went home to be with the Lord. He was greeted at his home going by his father, his son-in-law and most recently one of his best friends. Most importantly, the Lord welcomed him home and said "well done MY good and faithful servant".

Originally from Spartanburg, SC, and a graduate of Spartan High, Danny was currently a resident of Greenville, SC. He leaves behind his mother, daughter, granddaughter, and his grandson and his new wife. In addition to family, Mr. Snyder had a new love and a myriad of friends and coworkers who will miss his presence daily...While we do not grieve as those who have no hope, we do still grieve. To feel sad at the passing of a loved one means we were loved and we loved deeply. I pray you all find comfort in remembering my daddy, the stories you shared and the times you had together. And may I add here....Go Cocks ! The next time you raise a spur, think of daddy !!!

A memorial will be held at a later date not yet to be determined. In lieu of flowers, please make a donation to your church or charity of your choosing in memory of my daddy.

“ I only just found out about this. So very sorry to hear about his passing. He was a wonderful friend since 1987. We would catch up at least once a year to challenge each other on Georgia vs. USC. Danny was my broker representative for Welch's. He was the BEST in the country at what he did to manage our business. A tremendous professional and just a wonderful person!!! He will be missed. So sorry that I only just now found out.

I know much he loved his family, his daughter.....My deepest sympathies.

“ Sorry to hear of the passing of Danny. He was a co-worker, friend and a facebook friend. I am sad at his loss but take comfort in knowing that he is in Heaven with his family and friends. I know how much he loved his daughter. He was always putting pictures for everyone to see. Rest in Peace my Friend. Jannette Chapman Moss

“ I could share a million memories. But one of my favorites was when I was little and he would leave me the last bite of his Little Debbie and last sip of coffee before he went to work.

I was so very shocked to hear of your dads passing so suddenly. I had spoken to him many times to keep posted of your grandmothers condition. He was a very sweet kind and gentle person much like his mother. He will truly be missed. Our heart and prayers go out to you and your family Susan Cottonaro
