“ I am so sorry for your loss. I worked at The Clock of Lyman. I am close to Johnnie and Unc. Johnnie always had nothing but good words for Dan. Johnnie always said he was the closest thing to a father he ever had. I had the pleasure of talking to Dan many times in passing. We were always happy to see him walk through that door. He took time out to bring Unc in and have lunch with us when he got the chance. He will be missed.##imported-begin##Melanie Hartofilax & The Clock of Lyman##imported-end##
