“ *To the Family and Friends of Danny Arms.....I have so many fond memories of Danny. He worked with my husband and after Carl's passing, we put together a small group that shared Danny's passion for bluegrass music. I enjoyed just being in their presence. Those memories will never leave me. Upon hearing of Danny's passing, my daughter commented how much she would like to hear Danny playing "Rawhide" on the mandolin. He was very talented. Many dream of it but he had it. Let us close our eyes for a moment and imagine what it was like when he stepped into heaven greeted by those bluegrass pickers and singers who have gone before. What a reunion that will be!!!*

Absent from the body and present with the Lord.

“ Danny, I miss you so much. You were a sweet loving person, and a good brother. I remember when you were little you stepped on a nail, I would carry you around the house so you wouldn't have to walk on it. I always felt sorry for you. Good memories that I will hold dear. You were so talented and could play any instrument, and sing. You meant the world to me, and I will see you and daddy when I get to heaven. Love you so much, Donna
