“ I took Danny fishing a few years back and I told him this was his day, we would stay as long as he wanted. He was already having health issues and I didn't want to get him too tired. Well we really got into the fish and were really catching them. About 4 o'clock I ask Danny if he was about ready to go. To my surprise he said, if we leave now, we will get caught up in the rush hour traffic, I think we need to stay a little longer. So we did and ended up catching over 50 bass. Danny told me that was the best day of fishing in his life. I'm glad we had this day together buddy. I'm going to miss you. No more pain brother, You are with Jesus now.

“ Danny was such a great uncle to me. He and Kathy took me fishing lots of times growing up. Danny was always so kind and tender hearted. I really enjoyed my time with Danny and Kathy. Danny I will cherish all the memories that we shared. I know that you are running the streets of gold and seeing the friends and family that have gone on before. Rejoice with Jesus and we will see you in our time. God bless you Danny!
