“ I work with both Cindy Pearson and Tamara and I just wanted you both to know how sorry I am for your loss. I am going through a loss of my grandmother also this week and it is so very hard but at least we can know that they are no longer in pain or struggling. Even though we know that it's still hard to not want to be selfish and want them back. I know how you feel. You know I love you and I am here for you both. My thoughts and prayers are with you and your family. Love You, Cindy Robertson##imported-begin##Cindy Robertson##imported-end##

“ I grew up with Danny on Victor and played baseball with him. He was always fun to be around and could really hit a baseball. His two boys were at my house a good bit when they were growing up and I think Danny did a wonderful job in raising them.##imported-begin##James Carroll Hawkins##imported-end##
