“ I could not have asked for a better Nana! She is one of the most special women I have ever had the pleasure of having in my life. She used to ask all of us if we knew what her one wish would be if she could have just one wish.... When we would ask her what that was she would say "my one and only wish is for all of you to be in Heaven with me one day" so I'll spend the rest of my life getting there with you Nana I'll see you when I get there I love you and I miss you so much.
