“ *Darrel was such a good man. I've known him for a good 4 1/2 years he was has always been there for my family and I. I won't forget all the memories we shared like when he would call on a Saturday and say who wants to go to the mountains and we would pack up the jeep and go for the day and we would meet up at the Waffle House one of his favorite restaurants and smoke cigarettes and talk for hours. I really can't believe you're gone we're gonna miss you dearly, god has one of the best! Love you always!!*

“ Darrell and I shared many memories , I met him in the spring of 1977 , we dated for many years and then married and had a son (Jamie) many twist and unexpected turns in our relationship but we always remained friends. Last time I saw Darrell was at our sons wedding. We sat together, reminisced and had a few laughs. Darrell I will never forget you or the happy times in our time together. God has taken you way to soon but im sure he has a plan for you. I'm going to miss you ..... I will always love you. Joan.
