“ A friend that will forever be in my memory. For the many times we spent as greeters at Praise Cathedral and as ushers at gospel concerts in the upstate of SC and in NC ,and the times we spent together at the mall, just watching people and having lunch, I'll cherish those times. Thanks for the memories.....I LOVE YA MAN, I'll see ya ” at the house”.

“ Darrell has been and always will be in my heart and mind. During the most difficult time of my life, he was there. Not because I asked but because that was Darrell. His support, guidance and strength brought me through. He brought me ever closer to God. I know God brought him into my life to witness true kindness, caring and unselfishness. Love you Darrell. Sincere love and condolences to Darlene and entire Wall family.

“ *And it seems so recently we climbed the oak tree at the intersection of Concord Rd and Concord Ave to carve our initials and strategize in that elevated arboreal refuge we called "The Wallhorn." Our next meeting will be similarly "above ground level." Until then, friend along the Way, reign with joy complete. Love. Ronnie*

Darrell was someone I looked up to as a young boy at Concord Baptist Church where his Dad was the pastor. Got me interested in playing guitar when I heard him and Ronnie VeHorn playing at a church social.
