“ *Barbara, words can never tell u how sorry we are. All those years ago, when u met Dob, I was so happy for u. Glad u found a very sweet and nice guy. We were so lucky they we're friends, and still are, always. we had a lot of terrific times together, the four of us. We will always be there for u and Sarah and your family. You can call us any time, always. You are more a sister than a cousin. We still have all the crazy memories of things Jimmie and Dob used to do like riding dirt bikes off Glassy rock and out running the law up Hwy 14. All of our love and prayers, Betty & Jimmie.*
