“ Dear Dave, Troy, Suzanne and your greatly extended family,

Wes Triplett was kind enough to let me now of your father's passing. I was very fond of your parents and still am of you all even though I'm terrible at staying in touch. Just earlier this week in fact, I was wondering how you all were getting along All of us up here in the great frozen North are so sorry for you loss. Your Dad was a great man and our hearts and prayers are with you at this time.

Love to all,

“ Dear Carol and Family, I have been honored to call Dave a friend for over 15 years. We attended Norris Hill PCA for several years and were members of the Belton Gun Club. My wife and I were saddened by news of his illness. We were more saddened at his home-going, but we are encouraged because we know he is with the Lord he loved and served. We pray for God's comfort on you all during this time of sadness. You all are in our prayers.##imported-begin##Daniel Pruitt##imported-end##
