“ I wish I had known Dave better before we spent time with you in lovely Landrum. How wonderful you could be in Dee's room. I wonder if the cardinal visited you as it did Dee. Peace be with you Renee. You gave Dave love, companionship and comfort throughout your lives. You will carry him with you always. Sending you and your family love and hugs over the physical miles that separate us, and looking forward to a time soon when we can be together to laugh, cry and share stories in person. Xoxo
