“ Diddy...I love you! You are in a much better place now. No more pain and suffering. You would've been so proud of your services and all the family and friends that came. I miss you greatly already. I promise I will take care of your birds, cats, squirrels and all of your flowers the best that I can. No one can do it as good as you but I will try. I will take care of Momma too. “ *Dear PaPa,*

I love and miss you very much... thanks for all the trips to Speedy Mart in Lyman for treats on Sunday nights, thanks for calling us to remind us when the holiday cartoon specials were coming on tv, thanks for taking us to the Tadpole (yummy!) to eat, and thanks for letting me try your sardines with mustard that Saturday many years ago while watching ABC's Wild World of Sports - I still love sardines with mustard to this very day! Take care, get some fishing in up there and we'll see you down the road!

We'll always love you,

Aly and family out here in Utah

ps - I scratched around my garden veggie plants yesterday just like you told me to!###imported-begin##Alyson (Aly) Abercrombie Scales###imported-end##
