“ We met Scotty and Kayla riding motorcycles. We always had a great time together whether if we were just hanging out at Ronnie and Linda's or eating out. In later years we didn't get together that often but when we did we all had a great fun laughing and talking about some of the things we did! Scotty was a great friend, father. Rest in peace Scotty

“ Friends with Scotty since school. When we all got our licenses, his house was the hang out spot for the car guys. His mother and father sort of adopted us all. His father taught me how to work on cars. I have driven in many fast cars, but none gave me the thrill Scotty did one day. In his AMX, I would try to reach the instrument panel while he accelerates. Through all 4 gears and I was pinned to the seat. I don't think he ever had any problem with getting people to hang around him. He was like a magnet. He was true and honest. What you saw is what you got. I haven't seen him since we graduated. But I have been talking some to him on Facebook for past 2 years. I loved him and his family back then. And today, my heart breaks for this passing. But, I am happy that he is with Jesus and if there is anything to race in Heaven. You know he will be in on it. I will see you later my Friend.
