“ To the Chappell family,  
We were so saddened to hear about David, he was a huge part of our lives for many years. He was family! David was loved and all of us have wonderful, fun and happy memories of the time we were together with him. Especially Jordan and Carver, they have been sharing many of them with me. Please know that you are in our thoughts and prayers this weekend and the months and years to follow. He will always be missed and will always hold a special place in my heart. Love to you all!
