“ I got to thinking about David. I'll never forget the night he called me when I was going through a difficult time. He talked to me and listened to me. He was my cousin and my friend. Love you all.

“ *David, you were and always will be my big brother. Being with you while growing up, gave me strength in so many ways. I am so thankful for that.*

When I think of your life, words from an old song come to mind:

*"He didn't like trouble, but if it came along
Everyone that knew him knew which side that he'd be on.
You never compromise what's right and uphold your family name.
You've go to stand for something or you'll fall for anything.*

David Joe, you were our rock. I love you and will truly miss you until you meet me at the gates!##imported-begin##Debby Dean, Sister##imported-end##
