“ Oh my heart is broken. What fun we use to have!!! All during school and we will never forgot the pranks you use to pull at mamas. Remember the monkey??? Remember the goats?? David those are precious memories and that's all I have left now my friend. I loved you then and I love you now. So rest easy until I see you again You will never ever be forgotten. My prayers are with every member of you're family and Shasta I love you to pieces. May God give you comfort in knowing he's home and no more suffering. We send our love and our prayers. 🙏🙏
