

## David A. Gilliam

December 24, 1963 - June 6, 2019

After a long and difficult battle with cancer, David quietly and peacefully passed away, at home, with his wife in his arms. Loving him was the easiest thing I've ever done, losing him will be the hardest thing I've ever done, and having him in my life is the best thing that ever happened to me.

David is survived by his wife Donna, daughters Kristin Hagen and Vanessa Schwartz of Kentucky, and lots of beautiful grandchildren.

Private memorial service to be held at a later date.

Memorials may be made to Dobie Ranch Rescue 8087 North lazy trail, Crystal River, Florida 34428 or [www.dobieranchrescue.com](http://www.dobieranchrescue.com)

“ It was a pleasure getting to know David at the hospital. He had a long and hard battle but he always gave me a smile. I enjoyed our little talks together and he inspired me to be a better person myself. Life is short and we must not take anything for granted for God is the only one that knows when our time on earth is finished. Donna thank you for stopping by and letting me know about David's passing. My heart goes out to you and your family. You had a very special man and he loved you very much. My prayers are with you. May the lord bless you and give you comfort at this time. We know that David is not in pain anymore and I am sure he is smiling and saying All Is Well. Just know he will always be in our hearts.  
Take Care and God Bless
