“ David actual)ly saved me (in my late 60s) from being the only person opening boxes in the back at JCP for the time that it was! The moment he was given the management position at JCP Denton, and noticed I was doing this job alone, he got me lots of help! David cared about his employees! I thanked the Lord for him that moment and will forever! He went on to assist each of us in doing our best and he taught us to take ownership of our store, without having titles! He listened to our input and used what was good! He made us feel a part of making our store shine! He worked so extremely hard, harder than any of us! He was truly my favorite boss ever! He would speak with so much love for his wife and daughter and of God! He had a miracle that shocked all the doctors treating him, and I was always believing it was permanent! I am so thankful he loved Jesus and is resting with him in Heaven! Prayers for all who knew him! He was a tremendous blessing in my life!

“ David was a fighter, and he made me cry at work with his way of being a true soldier, pushing me to be stronger. I cried again, learning that David had passed away. David was a fighter, and may God guide his journey. I will always remember your strength in never giving up. Rest in peace. You left memories in a lot of life you cross paths with at J.C. Penney.
