“ Danny and Tammy, you and your family have my sincerest sympathy for losing your father. He was a good father to you and son to his mother. He was my uncle but since he was only a few years older than me we grew up more like brother and sister. Growing up we would play cards, shoot bb guns, ride bikes and much more. One of my favorite things was his fudge that he would make for us after school. He was loved by all that knew him.
