“ There are no words to express the sadness I and so many others are feeling since hearing the news of Kim Kendrick's passing. Most importantly, his family who I am thinking, and praying with and for each day. I remember that Kim was a very hard worker, but no matter what, he always talked about his wife, and kids, and said how much he loved them, and how proud he was. He made time for so many families over the years making their mortgage, and real estate dreams come true, but at the end of the day it was his family, and friends who he talked about the most. The consummate entertainer, he always loved to throw a party inviting all his friends to get together and sing karaoke, dance, and laugh! His expertise in his business was amazing, and his friendship is forever! I am very proud to say that I really loved this dear friend, and he will definitely be missed by all who ever got the opportunity to meet him.
