“ I am so very sorry for this loss. I didn't know David really well but we had a number of conversations and appreciated him for who and what he was. I moved to SC a year and a half ago and felt lie a total stranger. Because I need some upholstery work done, I met David and he made me feel 'at home' through our brief conversations. Heaven is surely rejoicing to receive such a fine gentleman. Vera Sittler

“ John I am so sorry to hear about David's death. He was an awesome father, loved you so much. I remember all the volunteer work he did at Tryon Street Elmentary when you were there. We saw him a good bit at Daisy Mae's and we always talked about you and Tryon Street. You certainly were blessed with a great father. Remember the good times and know you will see him again in Heaven. Prayers going up for you and your family. Miss Mertie

“ Donnie and family, my condolences and love to you all. I am so glad to have been able to talk to David at the last oldies reunion in May. It had been a long time since I saw him last. Donnie, you always make me smile. And I know you will keep on smiling through your sadness. You have a gift to bring joy to anyone you are around. I pray your joy is still with you because that is what your brother would want. Take care dear friend, I love you.

“ How far back can I go? Probably 49 years or more. David and Donnie and my brother Willy Jones have been friends forever. Always liked David and I consider both of ya'll friends. Also went to his shop and he restuffed a huge bear that was my brother Raymonds and somehow it got its throat cut. Didn't see often but both of you were always on my mind. I never lost a twin but I have lost two brothers and you never get over that. Praying for John and you Donnie and the rest of the family. Love you and if there is anything I can do let me know
