“ My dear friend Nancy, I just wanted you to know that I have thought of you and your family often. I am so sorry to learn about David. How the years do fly by! It seems only yesterday that we were together at Lyman Elementary sharing our hopes, dreams, and most of all--our laughs! Charlie and I will be praying for you and your family through this trying time. I must tell you that God does comfort you, bless you, and show you which way to go. It is so true that we do walk through the valley of the shadow of death, but, thanks to God, we can come out on the other side. We love you always! Love, Mary Alice and Charlie

“ Dear Family, Nancy, Ashlie Caroline, Jonathan, Elsa and Children, and Jo David's sister;

I send my deepest sympathy to you in the loss of David. He will be missed so much. You are all in my Heart ,thoughts and prayers. I'm so glad I got to see Him in December while in S.C. briefly. He had much knowledge of the lands and their terrains and history. I know how much he loved to go boating with his family and on adventure trips with his son and daughter.

One of the funniest things I can remember about David was when he was dating Nancy I did not want to go in the living room where they were to turn out our bedroom light so I reached through a vacant window pain and i tickled his neck and David and Nancy both screamed . Then we all had a big laugh. Just want all of you to know how much we care and love each one of you.
