“ To The Family of Dave,
"Goodbyes hurt the most, when the story was not finished". I was shocked to learn of Dave's passing and pray for his family. I grew up a few houses away during the 60's and he was the best "Big Brother" EVER. An Army of Angels now has the BEST to watch over you all.

With my deepest sympathy, Marlene Perscheid Tocci

“ *Dave was a boss, co worker, mentor and friend. I worked for him as a 26 year old covering the 5 Burroughs in Metro NY for 7 year's. He was kind, funny, intuitive and overall a great human being. As an instructor and public speaker he was 2nd to none. I will miss him and send Love and strength out to Donna his children and wonderful extended family. Love ya Morsch. God bless.*

“ *My friend Dave who I have so many fond memories of is gone. A dependable caring guy who taught me so much about life during those impressionable years in PHS. Dave knew what he wanted out of life and made it happen. I remember the Tenafly track meet when Dave was tripped and fell down on his leg of the relay. Dave got up, finished the distance and handed off the baton to team mate Al Dobrich who finished the race that set up the first undefeated season in history for the team. It showed me and I am sure many others the type of can do attitude that Dave had all his life. He was low key with great wit, always there to help and a true friend with memories of him that I will treasure forever. Betty and I will greatly miss him.*

What can you say about Dave. There wasn't a bad bone in his body. Our class of 62 was a very close class. Even though Dave was outstanding in sports, he was just that to all classmates. We all have fond memories of Dave. I have many. Even though his voice is silent & his space is gone he will stay in my heart & head. Thanks Dave. Richie Kane aka Mr. Mom

One of the best things about the class of 1962, we knew almost everyone and Dave was one of the best. I am so glad we got to catch up at the Reunions over the years. I am so sorry to hear this sad news. My condolences to his wife and family. He will be missed.

"I want to express my heartfelt sympathy to Donna, his children and the entire Morschauser family. I have struggled tremendously with the knowledge of Dave's passing - he was my most cherished Best Friend. The family has been in my thoughts and prayers this past week and will be forever. Since 1962, Dave had provided incredible memories with his quick wit, charm and philosophical advice. He often helped 'right my ship' over these past 58 years. Dave was a role model for us all as he was a devoted husband and father. He will be tremendously missed! I loved my friend.
