“ Sybil, Donna and all of the family - All who knew Pete couldn't help but love him. He was a special precious soul who loved life and loved his family. He loved his Lord and enjoyed life to the fullest. He will be missed, but you can rest in the thought of where he is now and what he is enjoying. I can just see him bowing in awe at the feet of Jesus. He probably hasn't left being close to Jesus's long enough to see his many family and friends who have already gone, but I know it will be a happy reunion! My thoughts and prayers have been with you these past few days and will continue to be with you in the coming days. Love you all very much! May God wrap you all in his loving arms and hold you real close to give you the peace and comfort that only He can give.

“ When someone you love goes to be with our Father, there is an empty space that never gets filled. You make it through the day slowly, then we have to pull out our happy memories and trust GOD, he will bring you thru. Love you
