My dear brother in Christ... I know this is hard for your family, they love you so much, but they know you are no longer in pain and that you are in the arms of our sweet Jesus Christ. You are such an inspiration to me, never giving up and always smiling. You have a contagious and unforgettable smile. Thank you for what you did for me in the few short months that I got to know you and your family. Because of you I stepped out of my comfort zone many times. I am sorry I never really got to share that with you here on earth, but now you know. May God be with your family as they go through the days ahead. I will see you again one day my friend . Love your sister in Christ, Denise
