Tribute Wall

“ I can hardly believe David has passed.He was an extremely kind and giving man.Always ready to help.Once when a friend of mine could not cut her grass I asked David if he could cut it for her and I would pay him he said yes he would but wouldn't let me pay him.Every winter he would call to make sure I was ok especially if bad weather was coming .Throughout the year we would talk about politics and the state of this country and our LordJesus.He loved his family dearly including Martha who if you knew David you knew she was his everlasting Love.He will be missed by many for his kindness and giving ways and his “opinions”
