“ I was extremely saddened with the news of Dave's passing. I have always looked back at my years at Budget (waaay back when) as some of the best times, and certainly a major learning experience for me. Dave was a great boss and sort of like a second father to me. He was always good to me. He made me laugh, and taught me a lot along the way... (Including that I need to make wide turns when driving a shuttle bus. ;) I will always have fond memories of Dave, as well as respect and appreciation for all he did for me.

*Bernie, Jeff, Dave - My thoughts are with you all. I know you will all be there for each other - but, if there's anything I can do... and/or if you are ever in the area - look me up.##imported-begin##Deb (Jackson) Contestabile##imported-end##*
