“ David and Madeline have been my neighbors and friends since 2018. They have both been very special people with lives rich in the things they did together and the memories they made. David was a Veteran and, as a Veteran myself, I greatly appreciated his service to America. Like all the other Veterans I know, David did not talk about his experiences while serving and that is understandable. David was a car enthusiast as am I so we shared a love of old cars of which he had a number of beautiful old automobile. After the military David went on to become a Judge and Magistrate and he did share a few stories of the cases he had. My thoughts and prayers go out to Madeline and the entire Snow Family. I will always have fond memories of David.
