“ *Diane, I am sorry we could not be with you today. Because of covid we have to be careful because Larry is on oxygen most of the time. I will never forget the night you guys foot engaged. We were in bed and Jennifer was a small baby when the door knock happened. Surprise it was you and Steve with the biggest grins on your face and so excited! I thought Larry and I were happy but you guys glowed. What a happy time! We are. Saddened that Steve had to leave you for a while but know that one day we all will be joined with him. God bless you sweet lady. We love you!*

“ *Memories of Steve,*

Over the years in telling friends about my brother, Steve, I said it was like the old Smothers Brothers' comedy routine, "My Mother Liked My Brother Best." The listener would then say, "Didn't it bother you that she liked Steve best?" My answer was always, "No!" It just proved my Mother had good judgment. Steve is loving and kind and had a big heart.

Steve worked for Michelin for over forty years, and every time I would see Steve I would ask, "What do you do at Michelin?" Steve would then explain to me in layman's terms what he did for Michelin, and I could still not understand. Then I would ask, "Does Michelin know what you do?" Steve would answer, "No, they do not know what I do." Then I would ask Steve, "Do you know what you do?", and he would answer, "yes". Steve is the only computer person I have ever met who has been with the same company for forty years. Michelin must have recognized the valuable asset they had in Steve.

Steve always put his family first and I believe that his daughters, Heather and Stephanie, will inherit this unselfish love. He was my only brother, but someone I could brag about even though I never could understand what he did for Michelin. His caring kindness I am sure will be passed through his daughters, Heather and Stephanie, to Steve's grandchildren.

Mike Davis (Steve's Brother)

Steve's death is a big loss to everyone.

“ *Diane, Heather and Stephanie,
We are so sorry to hear about Steve. It
saddens me to think we were neighbors for all
those years and after we moved we did not
keep in touch with each other. Please let us
know if we can do anything for you. Praying for the family now and
in the days to come.*

“ *STEVE my beloved first cousin, I use to wonder when death would
come between us. I know you had suffered for some time and if you
could tell us, you wouldn't want to come back You are in no pain, or
weakness. Heaven is beautiful I'm sure, you're having a great
reunion with your mama, daddy, grandparents, my mother and
daddy, Charles, Ellen, Tootsie, and all your other aunts and uncles. I
will miss you! But I will NEVER FORGET YOU AND ALL THE
GREAT GREAT LIFE WE EXPERIENCED TOGETHER IN OUR
HIGH SCHOOL DAYS AND OTHER TIMES!! You made my life so
wonderful having you in it!!!! I love you Steve!!
I know if we accept Jesus as our Lord and Savior, we will see you
again one day.*
