“ We spoke to David regularly. Going to miss his wisdom, politics, and the love of his family and his country. He was a great man, a great husband, a great father, a great grandfather and every time we talked to him, he told us a great Gabby story.

“ I'm so sorry to hear of Dave's passing. We were in high school together and shared many miles riding the bus back and forth. In recent years I have enjoyed Dave's delightful GB posts of his beloved granddaughter, Gabby. Rest in peace. Susan Winters White

Dave will be missed. He and I shared a friendship that started in high school and continued on. We spent many hours working on cars, hanging out at Bob Evans drive in and just sitting around talking. I am greatly saddened at his passing. RIP my friend.

I was good friend to David on high school. We shared the end of the alphabet names. David, myself and Jeff Snedaker used to talk all the time in study hall and never got in trouble. He was very nice person I will miss his post on facebook
