“ *I will always love you and will forever be grateful that I am able to see your smile and your love live on through our son. Thank you for all the good times we shared and for the way you supported me through the bad ones. I'm so glad I was able to hold your hand and pray together with our children a few weeks ago. I'm happy knowing that through those prayers we will see you again one day. I'll always love you!*

“ I'm so sad at hearing the news of Mr. Watson! From the time that he moved in Mason Manor apartments until his passing I have always been his ray of sunshine " his words". Such a pleasant person to be around and never a negative word ever spoken! He will be missed
