“ To Family & Friends,

*We were shocked to hear the news. We thought maybe there was a mistake when we heard the name David Johnson hoping and praying it was someone else. We will keep David and the family in ours prayers forever. We will never forget his laughter and the way he lit up a room when he walked in .He was a joker for sure, a wonderful painter, a great listener, writer and a gentlemen for sure. And through all the rough times and what he would face in life decisions everyday, he would always greet with a smile no matter what. Needless to say we lost touch with him in the last past years, as I sit and think allot about how we forget the little things in life that really matter or we choose to forget .Like calling up an old friend to see how they are sometimes. And now I wish I would've had a chance to say goodbye even after hanging up the phone after a quick , "How have you been?" I dislike that I would only think about that phone call to him, how im all caught up in my own life to take 2 minutes out of it. Allot of us don't think out of our box. We are like robots sometimes. But im sure now he is in his own real dream land the one im sure everyone wants to be In one day. Rest in peace David. I still see your smile!

“ Dear Louise:

I am so sorry to hear about David's accident and I am lost for words to comfort you and the family as I have never have lost a Child.

I have a child that is only seven month's older than David and you and I have enjoyed discussing our children when we worked together at Probate Court. That was our family and our Children was a part of it.

My prayers are with you and your Family in this time of sorrow but God does not make any mistakes and he needed David for a special reason and one day we will get to be with him in HEAVEN. Give my Love to all of your Family and if you just need someone to talk with just give me a call and I will find time or make the time for us to be together.

Just remember I love you and if there is anything I can do for you just give me a call at (864) 855-8099 or Cel. (864) 525-5296.

I am glad you got Ruth Clark to call me and let me know about David.

I will see you tonight.

Love,

Mary. M. Wilson

“ My heart is broken over the loss of David's friendship. We graduated from HS together in 1992 but recently, this summer we reconnected. We would talk almost daily for hours about God, politics, world issues...etc. My life was better for having Dave in it. I looked forward to our calls because he always had something wonderful to say and I would always feel like a better person after we would hang up. I am trying so hard to make arrangements for my children so I can make it to his funeral. I will feel so empty if I do not make it to tell him goodbye properly. David was redirecting his life back to the Lord. We had many conversations about that. He was not perfect, none of us are, but he was forgiven and that is why I am confident he is at the right hand of our Lord, our Savior. His last email to me was about a sermon he had heard that Sunday. That will be an email I never delete. I love you David! My life is going to be emptier without you here to fill it with your kindness, silliness, loyalty, and love. If there is anything I can do please, please contact me. His family is in my heart, forever. I will pray for you. I know David is home, and one day we will be home too. Hang on for Heaven, we will see him again.
