“ *Mr. & Mrs. Sheriff - David was my roommate our Freshman year at Clemson and we were in ROTC together. I ate dinner at your house a few times. I recently looked him up to see what he was up to and discovered this news. David was a great friend during my time at Clemson. We used to race from Astronomy class to get back to our apartment and watch Quantum Leap. We often talk about our different experiences in the Army and how "soft" the ROTC program was. David and I joined Sam's Club so we could buy the bulk Corn Dogs, Hamburgers, Ramen, chicken, . . . typical food fitting our college budget, and would take turns cooking dinner. David was a great friend. I am extremely saddened to find that he has moved to his next eternal home before being able to speak to him again. Thank you for raising him to be the man he was. He made my life better for knowing him.*
