“ *What to say about Dawn, well her and Frank were the BEST neighbors and friends we could have ever asked for and have ever had!!! I remember the banana chocolate chip bread, cookout's, Thanksgiving dinners, ride to PF Chang's in the snow, the Ballet downtown, dinners out and at each other's house!! How they watched our children in a pinch. Oh, our children they were such a huge part of our kid's childhood I can't even image it without her and Frank in it! Heaven has gained a beautiful angel! Frank we love you! Phil, Carolynn, David & Brooke Dolan*
