“ Awww best friend, I can't believe what I am even reading right now. We shared so many memories growing up. I've been looking through old pictures, remembering all the fun stupid things we did in high school. Time sure flies, and heaven took you too soon. I never even got to come visit you in South Carolina like we talked about. So sorry for your mom and dad, and your whole family's loss. Always missed but never forgotten. Rest easy best friend.

“ On behalf of everyone at the South Carolina Ports Authority, I extend our heartfelt condolences to the family during this difficult time. We were deeply saddened to hear of Dawn's passing, as she was not just a valued member of our team; she was a cherished colleague and friend to many.

Her dedication, kindness, and unwavering commitment left an everlasting mark on all who had the pleasure of interacting with her at the Ports Authority. Her absence will be keenly felt, and her memory will continue to inspire us. Please know that our support and sympathy are with you as you mourn her loss and celebrate her life.

“ You are my world. I loved you so much!! There is a hole in my soul that will never be filled. From the first day I met you I knew you were the one, even if you were laughing and make fun of me doing something stupid. I'm so happy for the 9yrs I got with you and I'm devastated that we didn't get more time. You made me the man I am today. You are so beautiful and the biggest heart in the world. I promise I will take care of everyone, even me, and definitely our fur babies Rocky and Maya, they were your world. Until we meet again..... Love you babe!!!
