“ *I've known Dunie ( I still use his nickname) since I was 15 years old and my cousin dated him. I would go riding around with them. We grew to be good friends and so many nights spent simply sitting at Sky City or Lewis's talking. That was the good ole days! He'd let me drive his white Grand Prix around town. I loved that car!! He gave me the front personalized tag off that car when he got rid of it. I still have it hanging in my basement. It said "Dean Clean Machine" So many great memories from over the years. I treasured our friendship and I love him dearly. I'm still in shock because I just talked to him recently. RIP Dunie.  
You were one of the good ones.  
"Well done, my true and faithful servant"  
I know you are rejoicing with our heavenly Father.  
I will miss you, buddy.*

“ So sorry to see this. I grew up with Dean & Marion Dale in Cashville, until they moved to Greer. It has been a long time since I have seen them & didn't get to make the service for Marion Dale. Prayers for all the family in difficult days ahead.
