“ I just wanted to say that I went to school with Dean at Greer Middle School. He was a very kind and considerate person. He was nice to me even though we didn't hang out much. A lot of the kids picked on me for whatever reasons I'm not sure but Dean never had a mean thing to say. I just wanted to say that I am truly sorry. I will always remember him as the sweet, kind quiet person he was. I am truly sorry for his beautiful wife and children and I hope you all will find peace in time. Thank you
