“ I am deeply saddened by the passing of Debbie. I am so thankful that we had the opportunity to communicate back and forth over the past few years on Facebook. I will cherish the cookbook that Debbie sent me recently, ‘Our Favorite Recipes’, and will continue to enjoy her recipes as a celebration of her life, her love of cooking and her love of family. Although we last met over 44 years ago in Myrtle Beach and in Greer, Debbie and her family held a special place in my heart; a wonderful family, truly representative of what is best in America. My thoughts and prayers are with Debbie’s family and friends. Debbie’s friend from Canada, Terry##imported-begin##Terry Griffiths##imported-end##

“ Dear Pam, Harold, and all the family--I was so saddened to hear of Debbie's death. My heartfelt thoughts and sympathies are with you all. I have such wonderful memories of Debbie--from first grade through 12th--including our "girls trip" to the beach following graduation and at 13 sneaking to wear lipstick when her mother wasn't looking! Always a smile, always tender and compassionate, always a good friend, always so much fun. I will miss knowing she is in this world, and I am sorry you have lost her so soon.--Susan Hayes, Class of 1970##imported-begin##Susan Hayes##imported-end##
