“ On the behalf of my family here in Charleston. Sc. I would like to express the love we have for aunt Debra, She was a wonderful person and all that knew her was made to feel Loved & welcomed. She was a person who loved life more than life itself. We will miss you for now but hope that we shall see you again on the other side of heaven. You held EARTH's beauties here , but now you will have a crown of life , a mansion to live in near Jesus, and get to walk on the streets of GOLD. There's Just one more thing i am gonna really miss is you singing hero . gone. and a few other songs & the memories we shared together at church. We Love & miss you! RIP- Love your step Neice- Laura white odom

“ Our last memories were just a couple weeks ago when I went to FL to be with you. Even though you didn't make it to see your grand baby being brought into the world, you still got to see her. I showed you the 3D/4D ultrasound and you just looked at me and smiled and rubbed my belly =) It was priceless. I love you mommy and you will be forever missed. Rest in peace and watch over us.
