“ *I met Debbie a little over a year ago, my first day with her I found just how special she was. Before I left her she always made sure she gave me a hug, she always asked what I was going to do when I got home. Debbie touched the hearts of everyone she met. Her smile was infectious, I never saw a person who wasn't smiling by the time she left. She is going to be missed by so many. From me and my co-workers at Palmetto Ambulance, you are in our prayers.*

“ *Debbie was a huge part of my childhood. We spent many days with our grandma Fleming and aunt Janie watching Dallas the tv show and scary movies at Karen her sister (my cousins) house! We would lay out in the sun with aunt Janie on doors we would lay down in the back yard! Debbie had a cocker spaniel she loved named Peanut that use to chase me and Debbie would say " Don't be mean to my peanut" when Peanut was the real rascal lol! Debbie had a way of reminding me that no matter how crazy and mean the world can be, there are still REAL, PRECIOUS people who want to do nothing and want nothing but your time and love and love you just for who you are! I had been feeling down due to my own personal struggles with this life and when I went to visit Debbie a few weeks before her passing, just to hear her sweet voice and be in the room with her gave me a comfort and peace that took me back to my childhood I spent with her! She was an angel on earth and now an angel in Heaven! I Love You Debbie and will always hold you close to my heart!*

*Love your,
"Jessiba"*

Please accept my condolences. May you find comfort in knowing that shortly you will be able to see your love one, John 5:28, 29. May you also find comfort in knowing that "death, sorrow and pain will be done away with. The former things have passed away." (Revelation 21:4,5)
