5 years ago I spent my last day with my beautiful daughter. Angels took her home @3:42 am later on The next morning. Reaching out her arm for me is the memory I hold dear before she calmly and peacefully crossed her hands on her chest. I felt at that time she was at peace with no more pain.

I miss my little girl so much.

“ Deborah became my friend in middle school. I will always remember the first time our eyes met & I saw her sweet smile. She became my best friend! She stood by me no matter what and always loved me unconditionally!! I was in her wedding & I was Robert's nanny for awhile when he was an infant. She brought joy to everyone she would meet. Her mom, dad & brother were a second family to me growing up. I remember going to Panama City Beach, Florida with them for their family vacation. Great memories!! I miss Deborah very much but I know that I'll be able to see her again in Heaven. I know only Deborah would get this but I must say it....."watch out for them snakes & spiders"! I love you Deborah. Rest in Heaven my sweet sweet friend!

“ Deborah's mothers and I have had the privilege of holding our daughter's hand until she grew up and said "you can let go of my hand". We let go of her hand but never did we let of her heart. You, her friends were very special to our daughter. You touched her heart and her life in many ways. For that her mother and I will always be grateful to you. Deborah will be sadly missed by each of you, and she will miss each of you and most of all her son, Robert Alan who is the love of her life.

“ I was in shock when I heard about Deborah. I am so deeply sorry about the passing of Deborah. I have thought about her so often the last few days and remembering our summer vacations at mamaws and papaws. We would listen to our music and dance, sing and be made fun of by Chris. I didn't talk to her much but I will miss her. I miss all of you and love you very much. I will be praying for all of you and her son. Thoughts and prayers are with you. “ Deborah was such a beacon of positive energy and such a gentle, kind soul. While I am saddened to see her removed from our lives I have comfort in knowing that she is with Jesus and that she now has her wings. Her spirit is lifted to the highest and will never again be limited. To Deborah's family: You are in my prayers all day long. Please let me know if I can ever do anything for you.
