“ You were the only mom-figure in my life for almost 5 years. You guided me to better myself. We had endless laughs and made lots of memories with the grandkids. I hope you knew how much I love and respected you. This earth lost a beautiful soul but my heart is a little at peace knowing you're not in pain anymore 💔

“ Words, cannot begin to describe the angel Jesus has called home. Debbly was such an inspiration. Debbly memories of you will always bring a smile to my face, and a tear to my eye. I will miss the long talks, and lunches we use to have every week.

You always meant so much to me, and always will. Even though we were not blood related, I still loved you like a sister. The fact your no longer here causes pain in my heart, until we meet again. I love you....
