“ *Debbie was such a loving caring person and cared so much about others to help them. I'll never forget her in helping me with my son when he was so sick and she was so caring. She will be truly missed. But she is resting in God's hands now he needed a another rose and he got the best person I have known for years now. Prayers for her family she is at peace. I thing I learned in life was the ones that are here on earth living are dying everyday. The ones in heaven are living forevermore. We are the ones that's dying everyday. Rest in peace Debbie till we meet again.. love you very much you will be forever on my mind and in my heart. Love Angie Joyce*
