“To Dale's Family, know that each of us have been blessed to have had Dale in our lives regardless of the capacity. He was such a good man and one that I will miss and forever hold in my thoughts. Memories of him go back to when I was just a kid, I have always looked up to, admired and respected Uncle Dale. To say he will be missed is an understatement and to that end I'd like to remind us all - “When someone is in your heart, they're never truly gone. They can come back to you, even at unlikely times.” We will all be flooded with thoughts and memories of Dale that take us back in time, cherish and hold onto those moments and memories.

“ What a joy it has been to know my friend, Del Sellers. I first met Del when I worked at The Lighting Center. Del delivered freight to us and he would come to my office to receive payment for the freight company. This was in the 1970's.

In 2001, I joined the staff and became a church member of Taylors First Baptist Church. After seeing Del a few times, we put our heads together to figure out how we knew each other. We soon realized it was from The Lighting Center.

I will always remember Del as a kind gentleman who loved his church and his family. He will be greatly missed.

“ I have always looked forward to each original card Del created for Christmas and Valentines! I have kept each card and cherish each one! I got to see him this week at church and give him a big hug and let him know how special his cards are to me. So glad I had that time with you such a special friend. Del will be missed by so many people.

“ *Delano was my first cousin. I am the daughter of Ruby Brown, Uncle Bud’s sister. I loved Delano. He would always call me around Christmas and often would send copies of his drawings of the church and places around town. He was a good and faithful servant of God and I know heaven is rejoicing at his arrival. What a blessing he was to me. God bless the family as you grieve his loss.*
