“ Diane, my thoughts and prayers are with you and your family for strength and the peace that passeth ALL understanding... Take comfort in His word that your precious Mother doesn't even know what pain is anymore, she has been made new! And that one day you will see her again...What a day that will be! “ We are so sorry to hear of your loss. It is very hard to lose your mother, but knowing that she is in heaven now and wouldn't come back if she could helps get us through the hard days. It is our prayer that God will hold you and your family in the palm of his hands and give you comfort and strength during this time. God bless you!

“ Diane and family, I am grieved to hear of your loss! I am however, happy to know that your mom is with our Father in Heaven. There are few greater joys than to know that; to be assured that we will see our loved ones again some day. God bless you and your family as you grieve, as you remember and as you look forward to that reunion.###imported-begin##Beverly and Jerry Robinson###imported-end##
