“ I had the pleasure of knowing and working with Demcy for Martha Phillips and Jane Harrison. She was a very kind and gentle lady and it was always nice to be around her. I shared many a lunch with her and Martha and what I remember most about Demcy was her distinct laugh... it was a soft chuckle. She was very pleasant and I'm glad that she was able to spent many years in South Carolina with her family. I wish the best to her family.
