“ *Bubba was a great friend and hard worker during my time at North Greenville. I especially appreciated Bubba's personal kindness and loyalty to the mission of NGU and his own Christ-centeredness. He will be missed, but his memory for me is one of respect and appreciation. My condolences to the family. I hope that you find great joy in the midst of your grieving his loss, especially now that he is no longer battling health issues and is at his eternal home-- well, full of praise and enjoying the presence of the Lord!*
